

Proximo™ Fob Phone and Key Finder

K39772US

Product Description

Every 3.5 seconds, a mobile phone is lost or stolen. When you consider the threat to your sensitive data, your downtime and the cost of recovering your phone, you'll understand exactly why we developed Proximo™. Proximo is an App-enabled proximity monitoring system that lets you track your iPhone, keys and other valuable items at all times. Proximo will alert you with a customizable alarm the moment you move a set distance away from your iPhone. With the Proximo Fob Phone & Key Finder, you'll use your iPhone to track your keys, so you'll never lose them again.

Features

- Proximo Fob includes everything you need to track your iPhone and keys
- Monitor the battery life of your Fob from your iPhone
